

TESLA CPD Programme

Growing your Middle Leadership (Primary)

This programme is for new or established middle leaders in primary schools

PROGRAMME AIM: Develop practical leadership skills in leading a project and team

OUTCOMES

By the end of the programme you will have :-

- Carried out an action research project
- Led a team to deliver your project
- Considered your leadership style and how to communicate effectively with your team
- Evaluated the impact on teaching and learning
- Presented your findings to your peers

You will need someone at your school to be your coach. They should attend the first and last sessions.
